We are very excited about our Spring Recital. Our students, teachers and staff are working very hard to ensure a successful performance. Our goal is to make this recital a fun learning experience for the dancers where they can showcase all of the accomplishments they have made over the past year. We are so proud of our dancers and we thank you for allowing us to teach them!

## Overview

Please read and use these tips for a successful rehearsal and recital experience! Carefully read through the entire packet for information on your dancer's rehearsal time and show time.

### Preparation Tips

- Over the next few weeks, please take the time to discuss stage fright with your child. We want them to be as relaxed and confident as possible so they can enjoy their performance.
- Label **everything** with your child's first and last name. (shoes, bags, costumes, everything!)
- If your dancer is in more than one dance, we strongly recommend **one bag** with your child's name on it for all their costume needs (dance shoes & accessories ONLY, no toys or food, due to allergies). **Otherwise, your child shouldn't bring anything backstage.**
- Do **not** wear panties with the costume. Both tights and costumes have a built in lining.
- All dancers should wear their dance shoes into the green room; any street shoes should be left with the parents.
- **Tights** must be in excellent condition for the recital. You can purchase your dancer's **fresh tights** at the studio. **We cannot guarantee your recital tights will be available at the studio if you do not purchase them before March 16<sup>th</sup>.** Also, keep in mind that recital pictures are Saturday, March 25<sup>th</sup>.

### Rehearsal Tips

#### Hair/Makeup/Costume

- Girl's hair should be in a clean high bun, no makeup.
- **Come to rehearsal in your costume.** If you are in more than one class, please bring your additional costumes, and change in the lobby bathroom.

#### Photos/Videos

You are permitted to take pictures and videos during rehearsal, while the audience lights are up. **For the safety of your dancer, Pickens High School will not permit you to video or photograph during the actual Recital. We have a DVD of the show available for purchase at the studio or in the lobby at the recital for \$40.** The DVD will be mailed to you after the recital.

#### Sequence of Events

- Arrive **on time** for your rehearsal. **We must start each session on time! Please allow for school traffic.**
- Do **not** drop your child off and leave rehearsal. Sit with your child/class in the audience. Each class section will be clearly labeled.
- Follow the signs to the theater's entrance (not the main school entrance).
- **No food/drinks are allowed in auditorium.**

### Recital Tips

#### Hair/Makeup/Costume

- Arrive at auditorium in costume with your hair in a clean high bun and stage makeup done.
- If your child is in more than one class, drop off their additional costumes at the "**dancer drop off**" table with your dancer. Our staff will make sure they get into their 2<sup>nd</sup> correct costume.
- Dancers are encouraged to wear powder, blush, mascara, burgundy lipstick, etc. Makeup should be applied AT HOME.

#### Photos/Videos

- For the safety of the dancers and copyright regulations, Pickens High School strictly **prohibits** photography and video during the performance.

#### Sequence of Events

- Check-in for your dancer will be 30 minutes prior to the show. The dancer drop off area will be marked. Dancers will be taken to the "**green room**".
- Theater doors will open for audience **30-45 minutes prior to show time.**
- Non-messy allergy approved snack/water and fun activities will be available for your dancer while they are back stage in the "**green room**".
- After the grand finale bow, please **remain seated** until ONE FEMALE guardian is called to the front left of the stage to pick-up their dancer from the backstage green room.
- **We kindly request that parents do not enter the green room until after the show has ended.**
